Faith Academics Service
"All things must come to the soul from its roots, from where it is planted"
St. Teresa of Avila

Catherine Clark, a current high school senior and former student of Sacred Heart School shared her thoughts about the experiences and opportunities she gained from the strong family that she was born into as well as her time at Sacred Heart School. She considers Sacred Heart a place where dreams are born, a place where students take flight, a place that feels like home.

Although we are small in size, a strong feeling of Catholic family is felt by all who enter our school. Fr. Conroy's dreams were realized, as many young people have received a strong faith filled education.

Congratulations to Colly

During our Catholic Schools Week Mass, Colly was recognized for 40 years as secretary at Sacred Heart School. Colly began in 1972 working for Sr. Bonita. She has worked along side 12 different administrators and 8 priests. When I am out of the office hardly a person notices but when Colly is gone there is a sense of interruption in the flow of our day.

Her title is secretary but her unwritten job description includes nurse, telephone operator, taxi driver, grandmother, teacher.....

Colly considers Sacred Heart School, her home away from home.

On behalf of all of your extended family, We love you Colly!!!!!!
